

**FAME Public Charter School**  
**Course Description**  
**STUDY SKILLS**

**Course Description:**

This course is designed to help students strengthen study skills and increase their confidence by improving basic skills. The curriculum will provide practice in organizing time, handling course work, and using study techniques that strengthen academic performance and test results. Topics covered may include: ways to improve recall; tips for reading with better comprehension; rules for writing outlines, paragraphs, and research papers; steps for doing math problems, improving memory and recall, and note taking.

**Suggested Curriculum:**

\*Strong Study Skills Program by Linda Silbert and Alvin J. Silbert

Complete Series includes five worktexts, and 5 teacher's guides.

(This course is primarily designed for at risk middle and high school students.)

\*How to Study Program by Ron Fry. Career Press.

Complete Series includes seven workbooks.

Grades 7 and up.

\*Univ. Nebraska ISHS, Effective Methods of Study, Course #STSH 001 001

This is a one-semester course. 5 credits will be awarded with a passing grade.
